

Prayer for Other Emmaus Communities.

Each year, various other Emmaus communities provide us with their wall agape letters, as well as their walk dates and request our prayers for those walks, just as we request their prayer for our walks. We are listing here the walks and flights that are going on in other communities. Here is a list of walks of which we have been made aware that are going on in October and November 2009, for which we should be in prayer:
