

A NEWSLETTER FOR AND ABOUT HI SKY EMMAUS

*"What should young people do with their lives today? Many things, obviously. But the most daring thing is to create stable communities in which the terrible disease of loneliness can be cured."*

— [Kurt Vonnegut](#)

## Community Gathering

We've missed you! Our summer gatherings have been light and we have noticed that many shining faces have been missing from our time together each month. We are sure that many of you have been busy traveling, enjoying the summer months with family and friends and we hope you've had a great summer.

As the time for our next community gathering closes in, we hope you will join us for a time of worship, fellowship, and praying together as a community.

The August Community Gathering will be held on August 27, 2013 at Calvary Assembly of God, Midland, TX.

Babe Chick Meeting will be in the youth room starting at 6:15pm.

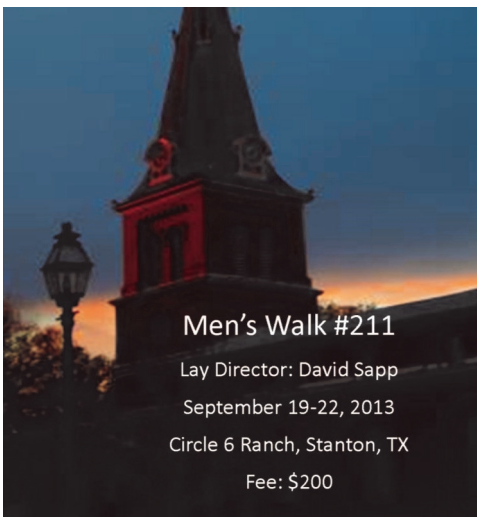

Community will be in the Sanctuary at 7:00pm.

Fellowship to follow and childcare is provided!

## A Note from the Spiritual Director

Some of you have been in the HiSky Emmaus community for a long time. Others are new to the community. This community had over 1000 members at one time and several hundred attended community meetings. We need to build this community but it must begin with individual humility and revival. Each of us must look closely at our own lives. We must ask God to cut out all traces of selfishness and pride. Only then can we begin to grow as God intends. Once we admit our pride and pray for humility, God will have something to work with. I am placing myself at the top of the list. Ask God to share his character and concerns with you. Ask God to change you.

**Bailey and Rhett Lively** (community registrar) - 2302 Storey Ave

## REGISTRAR NOTES:

Now that Bailey and I are finally one year out from the not-so-exciting news Bailey received last August at MD Anderson and things seem to be going well for her in those regards, we are going to return to what was originally supposed to happen when we took over as registrar.

Bailey is now going to be your primary point-of-contact for anything regarding the registration process. She can be reached by email at [registration@hiskyemmaus.com](mailto:registration@hiskyemmaus.com) or by phone, (preferably after 5pm) at (432) 894-0353.

I will still be taking care of the website, social media notices, powerpoint, etc., but this move will allow me more time to do that better while hopefully allowing Bailey to better serve the community's needs in the registrar position.

Also, we both will be working with the database and working to keep it up-to-date with your help.

If you have any questions, please email me at [communications@hiskyemmaus.com](mailto:communications@hiskyemmaus.com).

Thanks,

Rhett and Bailey Lively
