

# De Colores

Hi Sky Emmaus

## Men's Walk #211

Men's Walk #211 will be kicking off this Thursday, September 19th with 32 pilgrims signed up to attend. As we make our plans for the week, lets not forget the events during the walk this weekend!

### Send Off Lunch

This walk's send-off lunch will be at Rosa's Café on Andrews Hwy at 11:00 on Thursday. This will be a time to fellowship with and pray for the team as they prepare to give and experience the blessings of the weekend.

### Candlelight

Saturday, September 21st starting at 8:00pm, we will

join together in fellowship and worship as we bless the socks off the pilgrims and team during Candlelight. Please make plans to attend and fill the house with the glow of candles and the smiles of love.

If it has been a while since you last joined us at candlelight, we hope that you will do your best to join us this weekend! This is a special time for the pilgrims and team and, more often than not, is a time which also blesses those of us who attend the evening as well!

### Closing

Another important time during the walk is the closing

which will be at 4pm on Sunday, September 24th. This time is a great time to see what the walk has done for our pilgrims and experience how God has been working in their lives first-hand.

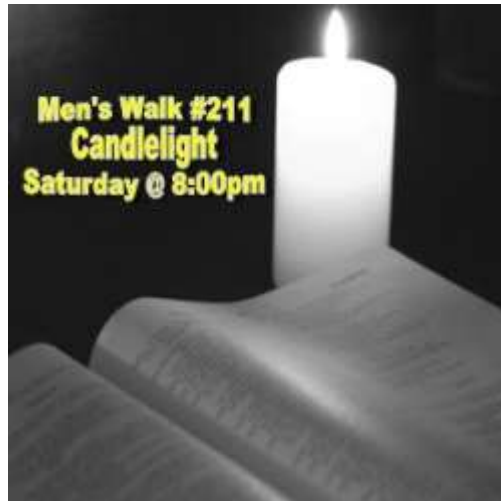

### Agape Reminder

If you have signed up to make agape, please bring it by one of the drop-off locations listed on the website or take it out to Circle Six on Thursday evening.

Thank you all for your support, love, prayers, and pilgrims. All these things will help to make Men's Walk #211 a great walk where God can do mighty things!

-Matthew 4:19

*Come, follow me, Jesus said, and I will send you out to fish for people!*

## Women's Walk #212

God has truly put together a wonderful team for the pilgrims He **has in mind for Women's Walk #212**. We have had our first team meetings and His Spirit was evident...I was completely overwhelmed by the talks He has chosen and look forward to how His words will touch each pilgrim in a special way.

I am humbled in this leadership role and as long as I keep allowing **God to take the driver's seat**,

He will continue to show up and show off!

Thank you again for this blessing and I look forward to the other team meetings to see how God has worked through others to help and touch others in their time of need.

Keep those prayers and pilgrims coming! They are being felt and helping!

De Colores!

Stacie Campbell.

*\*\*At the time of the publishing of this newsletter, Women's Walk #212 has 22 pilgrims signed up. Applications will be accepted for this walk until Thursday, October 10th, but slots are filling up fast so don't hesitate to turn your pilgrim's app in early!*

## Weekly Prayer Time

The Hi Sky Emmaus Board has decided that it is time for a commitment to prayer. We are meeting every Thursday evening at 8pm at Cuthbert Avenue Baptist Church, 3308 W. Cuthbert. Everyone is invited to join us.

We are praying for strength, unity, and growth for the Hi Sky Emmaus Community. We begin promptly at 8pm and pray for a short time.

Please join us in supporting the community. I truly believe that God desires to light the fire of passion within this community. Perhaps He has been waiting for us to show Him we desire it as well.

Dean Cook, Community Spiritual Director.

*Prayer is a strong wall and fortress of the church; it is a goodly Christian weapon.*

*Martin Luther*
