

De Colores—Print Edition

Hi-Sky Emmaus Community, Midland, TX

Welcome to the New ‘De Colores’

We’ve experimented in the past about bringing our newsletter into a more live and interactive format, but today we open the books that goal. “De Colores” will now be published as a blog,

one you can follow and receive emails on everything as it posts, or you can wait until a reminder is sent out via email that there’s new content available for our family here at Hi-Sky Emmaus. This format will give us more flexibility to post news to the community almost as it’s happening as well as al-

low you, the community, to respond through your comments to each article. Don’t worry, those who aren’t as computer literate and prefer the newsletter in the style that we’ve been working in over the past three years or so will still be able to download that PDF file each month.

Closing Out Girl’s Flight #52

Thank you community for the beautiful young ladies you all sponsored. It was incredibly fun and satisfying to see the transformation that only God’s love and grace can do! My heart swelled with joy as the young ladies let down their inhibitions and being to sing

and dance before the Lord. They danced as David danced **Samuel 2 6:14, David was dancing before the Lord danced with great abandon.** I have no doubt that in heaven we too will dance and sing with great abandon. I love, love, loved this experience.

I will treasure it the rest of my life.

I know that the new butterflies fell in love with our Lord Jesus and I pray their next steps are filled with wonderful possibilities that come from knowing and loving Him.

Boy's Flight 2014

Boy's Flight 2014 (formerly known as BF# 53 here at Hi-Sky Emmaus) is scheduled to kick off July 24-27, 2014 at Howard College in Big Spring, TX. As we announced last month, we are partnering with our neighbors at Rainbow's End Emmaus, Odessa, TX for this flight, using member from both communities to form the team as well as bring caterpillars from all over West Texas.

Currently

Currently (as of 6:36 PM 7/14/14) we have seven young men signed up for this flight. Applications for this flight will be taken through Monday, July 21, 2014, so if you have an application, please bring it by the registrar's house at 2302 Storey Ave, Midland, TX asap!

Weekend Schedule

The events of the weekend will flow much the same as the Girl's Flight did. The boys will arrive between 6-7pm at the Turner Residence Hall to check in with the registrar and team and get their room assignments for the weekend. From there, the caterpillars and sponsors will make their way over to the Student Union building before the caterpillars and team head to the Conference Room shortly after 7pm. Sponsor's Hour will begin at this time in the "Fire Place Room" of the Student Union Building. This is a special time as the sponsors and community come together to pray over the names of the caterpillars as they begin their journey. You won't want to

miss it! On Saturday, July 26, 2014 we as a community will gather in the East Room of the Dorothy Garrett Coliseum at 8pm for the Candlelight Service. This is our first chance during the weekend to love on the team and caterpillars as a community and the more people we have with candlelit faces, the more love we will pour out on the team and caterpillars! The flight will conclude on Sunday, July 27th at 4pm with the Closing Service. We as the community are asked to arrive at 3:30pm so that we can sing the caterpillars into the chapel for the service. This is when we as a community get to be blessed by hearing what God has done in the lives of the young men who will be attending the flight! Please join us as we and our neighboring communities work to make this flight the next "Greatest Flight Ever!"
