

Women's Walk #214 Starts This Week

For the first time in over a year, we are scheduled to host a full walk this weekend as Women's Walk #214 kicks off. There are several ways to be involved in the blessing this weekend will be to the pilgrims, the team, and to the community at large.

Agape

If you have signed up for agape, or even if you didn't and still want to give a gift, the drop-off locations are online and the bins are out to collect the goodies! Please drop off your gifts asap so that the ladies will know what they have and if there are any needs before they head out on Thursday.

Send-Off Lunch

Our send-off lunch will be on Thursday beginning at 11am at Crestview Café located inside Crestview Baptist Church. We will use this

time to pray for the team before they head out to the camp.

Sponsor's Hour

Join us Thursday evening around 7:15pm for Sponsor's Hour as we come together to pray for the pilgrims by name as they begin their journey.

Candlelight Service

On Saturday at 8pm, we will host the Candlelight Service. As you know, this is one of the most special times for the pilgrims and team during the walk, but it is also a great time of worship and fellowship for the entire community. Come join us and let's pack the chapel this evening!

Closing Service

We will gather at 3:30pm on Sunday to welcome the pilgrims into the chapel with song for the Closing Service of Walk #214. God will

move this weekend, come this evening so we can all hear just how He's been working!

Babe Chick Meeting

The Babe Chick Meeting will begin next Tuesday, March 25th in the Choir Room at Wilshire Park Baptist Church.

Community Gathering

And finally we will formally welcome the Babe Chicks to our family as a community during the Community Gathering which will begin at 7:00pm in the Sanctuary of Wilshire Park Baptist Church.

Please join us for these events this coming weekend. This will be a great time of fellowship, worship, and renewal, not just for the team and pilgrims, but for all of us in the community!

Final Word from Men's Walk #213

Community,

What can I say, Walk 213 was the best walk ever....Starting Thursday when we got there I did not look at the time or a schedule until it was all over on Sunday, this was very hard for me being the anal person that I am but I am so glad I just gave it to God and my ALDs and let them do their thing. I know

that everything went exactly how God planned it. Yes I think we had a few challenges along the way but nothing God had not prepared us to get through. I would like to thank the community for all of your support and prayers throughout the weekend.

From the Community Lay Director

In the spirit of Jimmy Fallon's Friday night ritual.....let me say (with music playing) "Thank you, Hi-Sky Community, for being quick to respond by filling Women's Walk #214 with 36 pilgrims and over two weeks before the deadline!

There's no sarcastic twist with this thank you note, however; simply sincere appreciation.

However, we currently find ourselves, once again, in a very tight situation with our April Men's Walk #215 and huge opportunity to see God move. We are currently two weeks away from the registration deadline with only 2 pilgrims signed-up. There will only be 1 week after our March

25th community meeting to get your applications submitted, so please spread the word and ask that friend, brother, husband, co-worker, uncle, son, or father...

"Have you heard about the Walk to Emmaus? No?? Then let me introduce you to one of the most amazing opportunities you'll ever have!"

Be the hands and feet of Christ, and give the gift of Emmaus through sponsorship. Remember, sponsorship doesn't require you to pay the walk fee for your pilgrim. The walk fee is the pilgrim's responsibility.

If you are able and choose to supplement or supply that for your pilgrim, that's between you and him/her. Please don't let that myth stand in the way of you being the doorway to an Emmaus weekend and Fourth-day experience for someone you know.

De Colores,

Marta

Regarding Men's Walk #215

I know that GOD has big plans for the men of Walk #215. Do you know how I know? Because God has become obviously involved! As we get closer and closer to the walk (April 10th – 13th), God reveals His control by allowing the unexpected to simply fall into place. The business of getting a walk together hasn't slowed down any, but I know now more than ever that GOD has everything under control. The Men of the Team have given some extraordinary talks and you can feel the Holy Spirit in each one. We had three of our pre-walk meetings, and things seemed against us each time we met. It's as if the enemy had picked a fight specifically with this walk, and was out to stop Walk 215. Then, at the Community Meeting, Roy Sanders

poured out his heart about the Community saying "Yes." That night we had six men step up to fill the remaining spots. GOD is GOOD! Our Music Team has ushered in the Holy Spirit lead by Clay Mize with Kelly and Seth Streun in our praise and worship. Dean Cook's words at our Team communion have been spot on. Hoping the women have less trouble with spiritual warfare, I have been in prayer for Women's Walk #214 with Pat Awbrey; for GOD to fill her walk with pilgrims and for her to see what GOD can do through this community. Now we; yes you and I need to be in prayer for the pilgrims that GOD has in store for Men's Walk #215. We still have one more Team meeting on March 22nd so would you please join me in

praying for this meeting, and possibly even help with the pilgrims that GOD has put on your heart. The privilege of being Lay Director has humbled my spirit, and I now KNOW, more than ever, that GOD has big plans for the men of this walk. Please join me in allowing GOD to use us to usher in those plans.

De Colores!
